1. A small number of transistors were completed by the Werk fuer Fernmeldewesen HF (former OSW) in Berlin-Oberschoeneweide at the end of December 1953. All of them were shipped to Russia, East German scientific institutes which had applied long ago for delivery of transistors from the HF Werke were notified that delivery could not be made at this time because the Russians had insisted on obtaining all transistors completed. 25X1
2. A small number of transistors will be completed in January 1954. in the development department of the HF plant, these transistors will be of better quality than those completed so far. The enterprise will try to make some of them available to East German scientific institutes. 25X1
